

## Pennywise Remedy Goes a Long Way

A penny saved is a penny earned.

Especially today.

When a family member falls ill, however, pennies spent add up.

What if you could prevent or cure common ailments with a simple home remedy? And make a dime do the work of a dollar?

With a little of this everyday ingredient and a pinch of “this or that” from your cupboard, you can:

- Soothe Sore Throats
- Fight Colds and Flu
- And Much More!

This “secret ingredient” is one your Great-Grandma knew about. It’s hydrogen peroxide.

This amazing liquid was safely used for centuries as a home remedy for:

- Health
- Cleaning
- And More!

Yet, it was nearly forgotten during the 20th century. More expensive, “modern” products replaced it.

Emily Thacker reveals hundreds of health cures and home remedy uses in “The Magic of Hydrogen Peroxide.”
